# CHECK-IN PROCEDURES

As is noted in the Meet Information Packet, you must check in prior to the first session in which your club has athletes competing. This means that if you are competing on Friday, you must check your club in prior to the start of competition.

If your club is arriving early enough to make it to check-in on Thursday evening or Friday morning, but not competing until Friday afternoon timed finals, it would be extremely helpful for everyone if someone could swing by the pool and check in ahead of time. That way, when you get to the pool Friday afternoon, you can walk right in and not have to worry about waiting in a much longer check-in line.

## Check-In Location

Check-in will take place in the lobby of McCorkle Aquatic Pavilion. A representative of the club should check in at the designated table just inside the main entrance. You will receive meet info, deck passes, and other information, as well as your teams designated area on deck or in the stands. After your representative checks in they should guide the remainder of your club to your club's designated seating area. See the map below, where the yellow square indicates the entrance for check in. Parking information can be found in the parking section.

## What to Bring to Check-In

### 1. Signed Waiver

Download and print the visiting team assumption of risk waiver. You'll only need one copy of the waiver, but every single person on your roster/coaching staff must sign it. There are a limited number of spaces already on the waiver, so please print as many copies of the waiver as necessary so that all of your members sign one. Please make sure to staple or paperclip all pages together. The Ohio State University requires that signed paper waivers be collected, which is why we are requiring each club to print, sign and present the waiver again at check-in.

**Waiver:** <https://recsports.osu.edu/posts/documents/visiting-team-assumption-of-risk-fillable.pdf>

### 2. Payment

Please bring a printed copy of your receipt from paying your swimming entry fees through CCS/Club Assistant (the registration software).

### 3. One Swim Cap

Please plan on bringing and turning in a cap with your school's/club's logo on it. Latex vs silicone does not matter – also does not have to be a Nationals-specific cap – just needs to represent your club! These will be used to create a national map of all participating club teams.

## What You'll Receive at Check-In

### Check-In Bag

Your check-in bag will include all athlete badges, heat sheets, and other meet-related documents. Please note that you WILL NOT receive these items without turning in your signed club waiver AND proof of payment. Without athlete badges, your members will not be allowed on the pool deck for warmups or competition, so make sure you have your payment and waiver ready to go when you arrive!

# VOLUNTEER CHECK-IN

As per the Meet Packet, each team is required to fill 1 volunteer slot for every 10 athletes, and these volunteers can be parents/fans or competing athletes. Volunteer check-in at the meet will be located in the Wet Classroom, located off the pool deck by the scoring table. If a parent is volunteering, please have them report to the admissions table, where they can be directed to the Wet Classroom. All volunteers should plan on checking in **AT LEAST 15 MINUTES** prior to the start of their shift. Further directions will be given to volunteers upon arrival.

Throughout their shift, volunteers will have access to drinks and snacks in the hospitality room. Any parent/spectator/non-athlete volunteers will also be given a free meet t-shirt as thanks for helping out with the meet. Please note that hospitality is reserved for officials, meet staff, and volunteers **ONLY**.

Swimmer volunteers will need to specify which team they are representing on the form. Please have them write out the name of their university in this space.

Please sign up for the prelims and timed finals shifts prior to the finals shifts. We need 24 volunteers for each prelim and timed final shift; we do not necessarily need 24 per final shift. We cannot edit the form to stress this for fear of losing data. Please make sure the slots covering prelim sessions are full before filling the Saturday/Sunday finals slots.

## EARLY ARRIVAL PRACTICE SPACE

The competition pool at McCorkle Aquatic Pavilion will be open Thursday evening from 8:00-10:00 PM. If your team will be in town and wants to get a quick swim in, please stop by! The check-in table will be open during this time period, and your team needs to check in prior to swimming during this time.

If you know your team is attending this open swim, please fill out the following Google form. If there is a large number of clubs attending this open swim, we will need to divide the open swim in multiple sessions.

# REMINDERS & MORE

## Important Policies to Note

1. Swimwear for Competition
  - a. Swimwear shall include only a swimsuit, no more than two caps, goggles, and a nose clip and/or ear plugs if desired.
  - b. Only swimsuits complying with FINA swimsuit specifications may be worn. Suits with tie-backs or other fasteners, are NOT permitted for competition. (Jolyn suits are fine for warm up only.)
  - c. Medical tape on the body is not permitted unless approved by the meet referee. K-tape on shoulders, elbows, or knees is never permitted.
  - d. Violation of any of these rules may result in disqualification. Exceptions may apply for extenuating circumstances at the discretion of the meet referee.
2. Swimmers will be responsible for swimming in their assigned events, heats and lanes.
3. The Meet Referee may elect to change and/or combine heats and determine the need to do "dive-over" starts. Every reasonable effort will be made to notify teams of any changes.
4. The no-recall starting protocol will be in effect during this meet.
5. Spectators are prohibited from entering the pool deck area of the facility. The pool deck is reserved for: athletes, coaches, officials, assigned timers and other recognized, credentialed volunteers.
6. **Use of audio or visual recording devices, including a cell phone, is not permitted in changing areas, rest rooms or locker rooms. Except where venue facilities require otherwise, changing into or out of swimsuits (except for drag suits) other than in locker rooms is not appropriate and is prohibited.**
7. **DECK CHANGES ARE PROHIBITED** and can result in an offending competitor's removal from the meet.
8. **Operation of a drone, or any other flying apparatus, is prohibited within the venue (pools, athletic/coaches' areas, spectator areas and, if present, open ceiling locker rooms) any time athletes, coaches, officials and/or spectators are present.**

## Relay Line-Up Policy

Each club will be given the following upon checking in at the meet:

- One (1) relay card for each A and B relay competing in the 4x200 freestyle and 4x100 medley relays
- One (1) relay card for each B relay competing in the 4x100 freestyle, 4x50 medley, and 4x50 free relays

- Two (2) relay cards for each A relay competing in the 4x100 freestyle, 4x50 medley, and 4x50 free relays. These will be marked with either “Prelims” or “Finals.”

The first relay card for all relays will be used to make any changes (if desired) to the line-up prior to the appropriate timed finals/prelims session. It is the responsibility of the president, or another club representative, to submit the correct relay card with the final relay line-up to the clerk of course no later than 1 hour prior to the start of the appropriate timed finals or prelims session. After this time, no changes can be made to that relay's line-up.

The second relay card for the A 4x100 freestyle, 4x50 medley, and 4x50 freestyle relays will be used to make any changes (if desired) to the line-up should the A relay place in the top 20 and qualify for finals. It is the responsibility of the president, or another club representative, to submit the correct relay card with the final relay line-up to the clerk of course no later than 1 hour prior to the start of that evening's finals session. After this time, no changes can be made to that relay's line-up.

As a reminder, swimmers who competed in the B relay in prelims or did not compete in the relay in prelims are eligible to swim in the A relay in finals. Swimmers may not swim in both the A and B relay of a relay event during a prelim session.

## Scratch Policy

For all events that swim in prelims and finals, a scratch policy will be applicable. After results for prelim competition of an event are posted at the clerk of course, swimmers will have 30 minutes from posting to declare their intentions for finals. Regardless of where a swimmer places in prelim competition, the swimmer and/or the swimmer's club should scratch if the intention is to NOT return to finals that evening (ex: even if a swimmer places 80<sup>th</sup>, and only the top 20 make finals, the swimmer should scratch).

Scratching will take place in two ways:

1. The swimmer or another club representative must print and sign their name, the date, and the event on a designated scratch sheet at the clerk of course table within 30 minutes of posting prelim results on behalf of the scratching swimmer.
  - a. A swimmer may declare their intent to scratch depending on the swimmer's standing in future event(s) on the same day, but it is the responsibility of the swimmer to update the clerk of course of their intentions following the event(s) they specified.
2. If an entire club is not planning on returning to a finals session, the club president or another representative is responsible for notifying the Clerk of Course and signing off on a club scratch.

If a swimmer and/or the swimmer's club fails to scratch and appears in the finals line-up, whether or not the swimmer was originally in the top 20 or not, the swimmer is expected to compete at finals. If the swimmer does not swim at finals, the swimmer's club will be charged \$10 per event not swum. However, the swimmer(s) will still be able to compete in subsequent days. Exceptions to this rule include injury and illness, in which the meet referee must be notified and will use discretion to accept proof thereof.

## Club Absence Policy

In the case that a club which has submitted entries is no longer able to attend due to extenuating circumstances, the club is still responsible for paying 100% of their meet fees incurred upon entry. No exceptions will be made.

## Spectator Passes

Spectator passes and heat sheets will be available on-site at the following rates:

- \$8 for a single day-pass (admission to all sessions on a single day)
- \$20 for an all-session pass
- \$10 for a heat sheet

Acceptable methods of payment include:

- Cash
- Check (made payable to "Club Swimming at Ohio State")
- Credit Card (American Express, Discover, Mastercard, Visa)

## Distance Events

Swimmers competing in the 500 freestyle will need to provide their own counter.

Swimmers competing in the 1000 freestyle will need to provide their own counter and timer.

## Meet-Time Communication

As in past years, reminders and real-time updates will be sent out via Remind 101. All presidents are **required** to join the Remind 101 group, and it is highly recommended that swimmers who are the only representation of their club join as well.

Please follow this link to join: <https://www.remind.com/join/ccsnats19>

Or text "@ccsnats19" to 81010.
