1. To indicate availability for a relay, check the box. This does NOT put you on a relay as the final relays will be compiled by the coach/president.

- To enter an event, you must have previously swum the event during the season in a CCS recognized meet and have the time entered in the database.
- To remove yourself from an event, click the trashcan icon to remove the entry time.
- If you have a qualifying time for the 500 Free, you may manually enter a time for the 1000 Free.
