CCS Introduction

- College Club Swimming is a national governing body which oversees hundreds of college club swim programs across the country.
- It was founded to provide structure to support teams when experienced officers inevitably graduate, and to help new teams get off the ground.
- The goal has always been for it to be a student-led NGB - hence the Advisory Board!
- Benefits: organized championship events, results database, insurance, connections to USMS for officials/meet support, leadership opportunities (local & national), community

President's Portal Demo

The screenshot shows a web portal interface. At the top left, there is a blue header with the text "Online Club and Team Management". To the right of this header, the school name "Florida Club Swim and Dive" and its abbreviation "FCSD" are displayed, along with the coach's name "Men and Women". Below this is a dark blue navigation bar with white text and dropdown arrows for "Home", "Season Roster", "Meets", "Reports", "Account", and "Tools". The main content area starts with a greeting "Hello Coach! What would you like to do today?". Below the greeting are four large, rounded rectangular buttons. The top-left button is light blue and labeled "Host a Meet" with the subtext "Manage a Hosted Meet". The top-right button is a slightly darker blue and labeled "Enter Athletes into a Meet" with the subtext "Edit Meet Entries". The bottom-left button is a dark blue and labeled "Manage Season Roster". The bottom-right button is the darkest blue and labeled "Review Meet Results and Rankings".
